

Don't Forget: ADD A 2" SQUARE PATCH POCKET ON THE BACK SIDE OF THE
PILLOW BEFORE ASSEMBLY SO YOU CAN STASH THE LITTLE TOOTH

Don't Forget: ADD A 2" SQUARE PATCH POCKET ON THE BACK SIDE OF THE
PILLOW BEFORE ASSEMBLY SO YOU CAN STASH THE LITTLE TOOTH

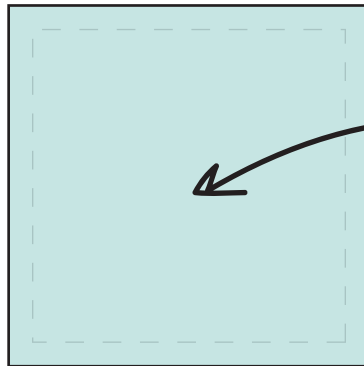

DIRECTIONS

- make front panel by printing on inkjet specialty fabric or by ironing the graphic onto cotton

FRONT

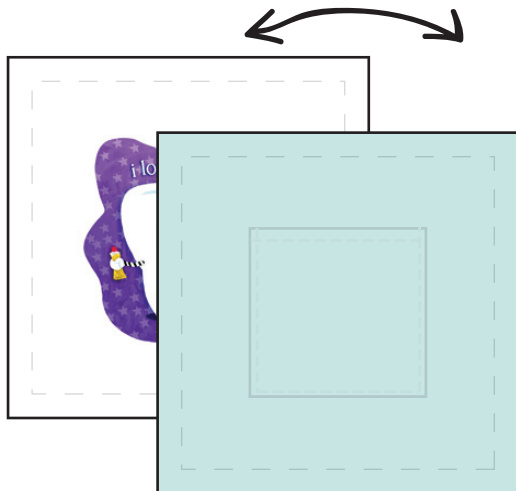

BACK

4" WIDE X 4 1/4" HIGH

POCKET

- iron side and bottom edges of pocket inward 1/4", and top edge down 1/4" and then again 1/4"
- stitch across top edge to secure.
- pin pocket to pillow back and then sew along sides and bottom to secure, leaving top edge open

- with right sides together, stitch just inside stitching lines all around the pillow, leaving an opening for stuffing on one side
- stuff with polyfill
- hand stitch opening closed
